

Winter Wonderland

December 8th, 2023 - January 8th, 2024
The Restaurant at The Chedi Luštica Bay

Fridays: (16.00 - 22.00) | Saturdays & Sundays: (12.00 - 22.00)

This year, The Chedi is organizing something special - "Winter Wonderland" - a unique winter event that will transform our hotel into a magical kingdom from December 8, 2023, to January 8, 2024. Enchanted by the holiday spirit, the hotel will be adorned with 100 beautiful Christmas trees, creating a fairy-tale atmosphere.

Indulge in the temptation of our "Winter Wonderland" offering:

Exhibitors: Uncover treasures at our Christmas market, where exhibitors showcase exquisite hand-made local products - from Christmas ornaments and jewelry to charming dolls, cozy knitted gloves, scarves, and captivating paintings.

Christmas Wish Tree: Surrender to the magic as we invite you to participate in the magic by writing your wishes, placing them within a Christmas decoration and hanging it on our special Christmas tree. Each wish becomes a shining ornament of hope that will be donated to a charitable organization.

Love Corner: Capture joy and create lasting memories at our Love Corner, featuring a picturesque bench, an Instagram frame, and love locks - an idyllic setting for heartfelt moments with your cherished ones.

Festive Food and beverage stations: Try hot chocolate, homemade herbal tea, mulled wine with cinnamon, or festive Christmas punch. Relax with specially crafted cocktails like Rudolf, Snowman, and Mrs. Claus.

Attractions for the youngest ones: Meeting Santa Claus, face painting, decorating Christmas cookies, Christmas movie projections, and exciting performances by bands and choirs.

We believe that this holiday magic will be etched in the memories of all of us. Join us and be captivated by the allure of "Winter Wonderland" at The Chedi.
